SWEET TRADITION

Sweet wine made with Moscatel - considered among the oldest grapes in the world. The vineyards grow just kilometres from the Mediterranean Sea, where this grape has been grown for more than 2000 years. The grape must doesn't allow for fermenting, and wine alcohol is added, then stirred each day until rendering the yeasts inactive. A traditional production process which yields the ideal wine for pairing with all types of pastries, foies and cheeses.
